I have reviewed all of the instructions given to me. I understand that I am responsible for all jewelry, clothing, accessories, seating areas, bedding, furnishings I contact after my tanning session in case of staining or damage. I understand that I do not hold anyone but myself responsible for any of these items or other items in my home. It is acknowledged that the spray technician only uses the highest grade cosmetic products available for all tanning/makeup/tattoo applications. All products used are certified medical or cosmetic grade materials, and considered safe for normal cosmetic skin safe use, in healthy persons.

I understand that I am responsible for any damages to my home during the tanning process.

A small number of individuals may have unforeseen personal sensitivities to specific ingredients beyond our control.

I assume responsibility for any kind of allergic or medical reaction I might have to this formula. I understand that I am receiving service at my own risk.

I have read all of the instructions about my spray tanning/makeup/tattoo session and understand completely. All information I have submitted is accurate as far as I know.
